

# Tally-Ho Lounge Bar

Booking is simple. You're possibly not used to organising an event, so to help keep it nice and easy, here is the deal.

The Lounge bar is normally open to everyone from Thursday to Sunday evenings to compliment the Two Bulls next door.

However, it's also available for your exclusive hire, both at these times or any other time you may wish to book it.

It can actually work out free to hire, once you bring along enough thirsty guests to make it financially viable.

We hope to see at least £1000 come across the bar on a Friday or Saturday or £500 on any other lunch, afternoon or evening of the week. This includes any pre-ordered food.

When you book, we take a £250 deposit either in cash, bank transfer or even a card over the phone to secure your date.

Our till keeps a tally on your group's entire spend on drink, in addition to any pre ordered food. When you hit the target, we immediately hand you back your deposit, in cash.

Everyone goes home happy and you don't need to worry about chasing anyone for the return of your deposit.

We aim to make your booking very straight forward.

On the evening we shall be there to support you and ensure that you and your guests are very well taken care of.
